Professional Photo Ops

Capture your Expo experience with a high-quality, professional photo alongside your favorite guests at the Expo!

In partnership with Upstate NY Entertainment, attendees can reserve professional photo opportunities designed to give you a lasting keepsake from an unforgettable weekend. Whether you're meeting a favorite actor, creator, or personality, these photos are the perfect way to commemorate the moment.

Advance booking is strongly recommended, as space is limited.

Cosplay Costume Contest

While many events hold a scheduled costume contest with a handful of categories and a few winners, we do things a little differently... Instead of gathering everyone on stage at a specific time, the Vermont Sci-Fi, Fantasy & Horror Expo recognizes great cosplay throughout the entire weekend.

Throughout both days of the show, our Expo Cosplay Judges will be wandering the event floor looking for individuals and groups whose costumes, creativity, and attention to detail truly stand out. When someone catches their eye, they may receive an on-the-spot Cosplay Award!

www.billlutzdesigns.com

BILL LUTZ DESIGNS
Illustration • Cartooning • Graphic Design
610-613-7499

Each selected cosplayer will receive:

- A certificate of recognition
- A prize donated by one of our amazing vendors
- A photo posted online celebrating their costume

We plan to award up to a dozen individuals or groups each day — though in the past we've been known to hand out quite a few more!

We do it this way for a few reasons:

- We'd rather not pull cosplayers off the floor for an hour just to wait for a few seconds on stage
- Not everyone can be present at a scheduled contest time
- Traditional contests limit awards by category

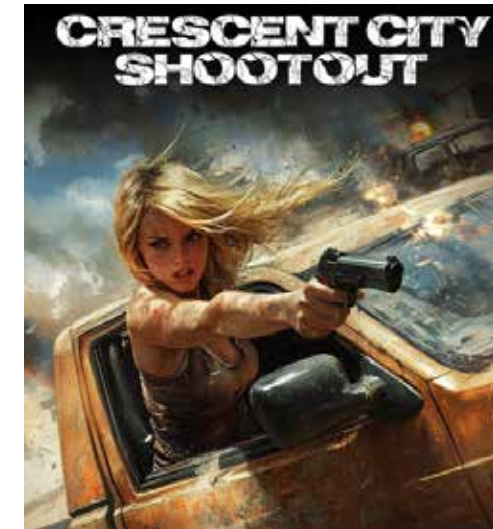

Our goal is simple: recognize as many talented cosplayers as possible for the creativity, effort, and passion they bring to the Expo.

So come dressed to impress, you never know when a judge might spot you!
